

PASTORAL CANDIDATE

for Rock Presbyterian Church • Imperial, MO

Rock Presbyterian Church is a small congregation of mostly mature members with a beautiful building and educational facilities who is seeking a highly motivated and energetic pastor to lead us. Located in Imperial, Missouri, our church has a long history of being very generous, focusing on helping those in need, particularly children. As our new mission statement reads, we are looking forward to working **together** with our new pastor to promote belonging and strengthen the congregation's spiritual well-being, relationships, and community impact. For more information about our church, please click here to read our [Mission Study Report](#).

WHAT WE ARE LOOKING FOR IN A NEW PASTOR:

We would like our new pastor to be fully committed to the Lord and to show love and compassion for our congregation. The pastor should be gifted in engaging and inspiring the congregation during worship and should be a good communicator — dynamic, personal, warm, and authentic — with the ability to encourage all to work and communicate together with respect and trust. Our new pastor should be able to maintain stability in the moment and hope for the future while building on strengths and seeking assistance to improve weaknesses. A successful candidate should be trustworthy, organized and able to make decisions in a timely manner while also being willing to take risks. We hope our new pastor is eager to seize opportunities, flexible to changes, creative in using resources and willing to teach all members of the church. Together with the congregation, attracting young families with children and youth needs to be a priority. We want our pastor to challenge us to spiritual growth and to being a positive witness as we serve Christ throughout our community.
